**MOHAN A. J. PERERA**

Director / CEO

Transco International (Aust) Pty Ltd

My team of professionals along with me believes and is committed to Transco's motto *"we love to deliver"* and will be eagerly awaiting the opportunity to share our expertise with you so that each experience with Transco Cargo will indeed exceed your expectations.

Transco Cargo in its years of business has been committed to delivering excellence and quality of service with flexibility.

## COMPANY OVERVIEW

Transco Cargo, and its parent company, Transco International, operate under strict corporate philosophies, with its vision, mission and values always in mind. From its base in Australia, Transco works in line with shipping across the world, always complying with national and international regulations and legislations. Our primary objective is customer satisfaction. We are always attentive and responsive to any challenges that customers can face. Being a globally operational Logistics Service Provider, we aim and strive to build businesses by developing strategic alliances to ensure continued growth for mutual benefit.

The following are outlines of how Transco Cargo operates and are used as indicators of our success.

### Vision

To build long term relationships with customers by meeting all their freight forwarding & logistic requirements in a timely and efficient manner, and thereby contributing to our customers' success.

### Mission

To be recognized as a specialist in the field of International Freight Forwarding, providing high quality products, superior service and operational accuracy.

### Values

Engendering an environment of trust, integrity and team spirit built on quality work ethics.

## SYNOPSIS OF TRANSCO

**“ Transco Cargo in its years of business has been committed to delivering excellence and quality of service with flexibility. ”**

With three decades of expertise and experience in the freight & logistics service industry in Australia, Transco has become a leading shipping company offering a range of logistics management services that help you compress cycle time with increased flexibility and reliability, lowering overall product cost, and maximizing supply chain efficiency for enhanced customer satisfaction.

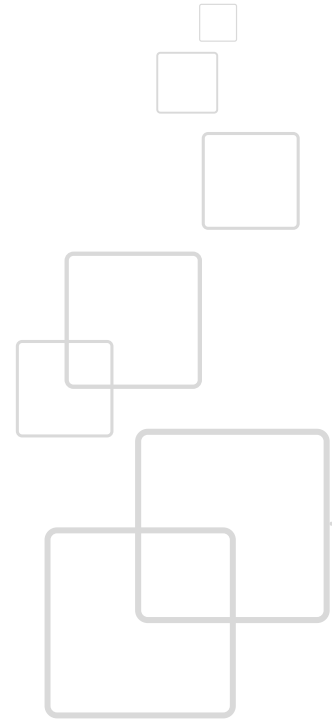

Transco's complete range of shipping, freight forwarding and logistics services, coupled with Specialised Logistic Services our innovative management team and cohesive infrastructure, enables us to manage all your cargo requirements whether general, perishable goods or specialized projects (such as out of gauge cargo, roll on roll off cargo or bulk cargo, etc.) with utmost dedication.

“

As a freight forwarder and Third Party Logistic (3PL) provider, we are committed to ensuring excellence with your commercial cargo shipments and supply chain milestones as your logistics partner.

”

## AIR FREIGHT

“ As sea freight specialists, Transco Cargo prides itself on its convenience and affordability. Get in touch with us to find out how we can help you with your shipping requirements. ”

As an IATA accredited service provider at Transco Cargo, we arrange shipments via the following ways:

- Consolidated freight (where several shipments are included on the same flight)
- Direct services (where a single shipment is shipped)
- Charter services (where a single freight aeroplane is used for a single air freight delivery)
- Perishable cargo handling
- ULD - Air Container

## SEA FREIGHT

At Transco Cargo, when you opt to sea freight your cargo with us, we arrange your shipments via the following ways:

- Full Container Load (FCL) (where a full 20ft or 40ft container is shipped with only your cargo)
- Less than Container Load (LCL) (where either a 20ft or 40ft container is shipped, and the space shared with your cargo and that of others)
- Reefer Container
- Bulk cargo
- Project cargo & out of gauge cargo
- Roll-on-Roll-off (RoRo)

“

**Need something time-sensitive sent or received? Transco Cargo will handle it reliably and conveniently.**

”

“

Leave it with confidence to the Transco Cargo team to coordinate the Customs Brokerage and Quarantine requirements for your shipments.

”

## CUSTOMS BROKERAGE

Our inheritance Customs Brokerage Unit can attend to all your Customs and Quarantine needs, under one roof as a Australian Licenced Customs Broker & our own warehouses are Quarantine approved inspection sites including fumigation bays, i.e. QAP 1.3 and 4.6 certified.

- Import and export of air, sea & courier clearance
- Personal effects
- Documentation requirements
- Tariff classification & duty rates
- Imported food (IFIS) clearances
- Treatment & cleaning
- Conduct quarantine inspections
- Collection & deliver
- Electronic entry processing with both Customs (ABF) & the Department of Agriculture (DAWR)

We, at Transco Cargo, are here to give you peace of mind and ensure that your shipment gets from origin to destination, safely and with minimum delay.

Please contact Transco Cargo to discuss all your Import and Export clearance requirements.

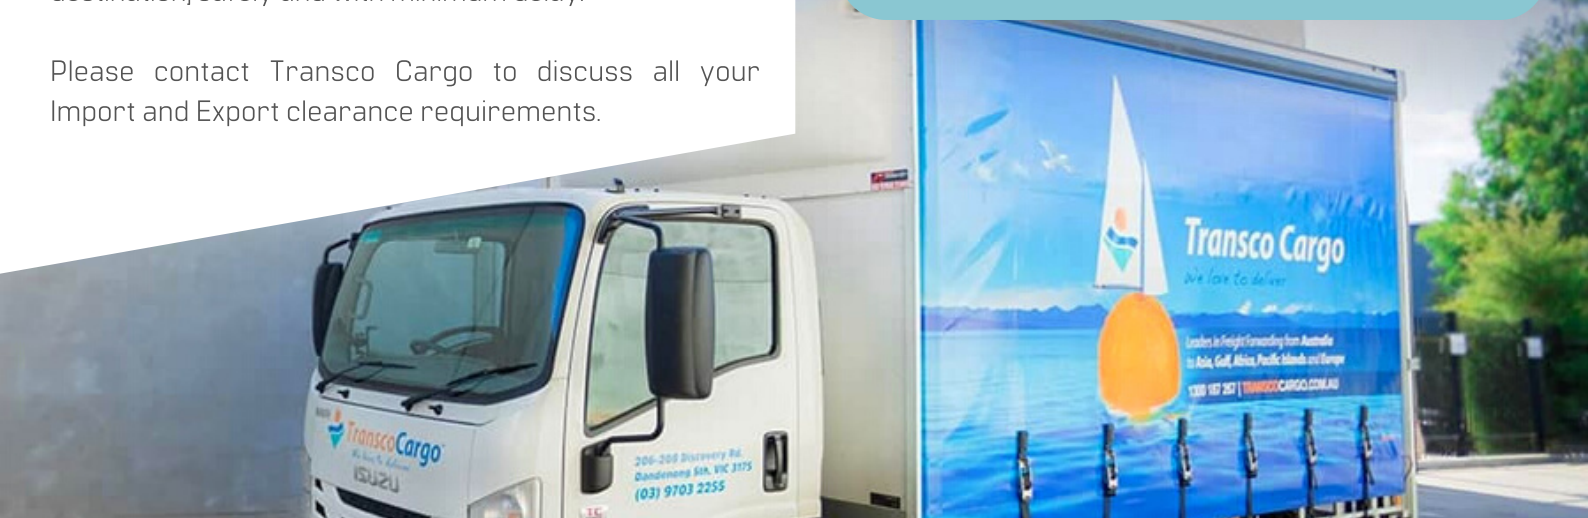

## LAND FREIGHT

Land freight is an integral part of supply chain management, in terms of mainland transport for business-to-business and door-to-door deliveries. It involves the transportation of goods and cargo between and across states and includes its subcategories of Road Freight, Rail Freight, and Inland Water Freight. It relies on an integrated freight network and streamlined supply chain and logistical management along with multimodal transportation modes to run smoothly.

At Transco Cargo, we have our own fleet of road freight vehicles with GPS tracking, and we are partnered with other transportation modes to ensure that your cargo gets from Location A to Location B with ease.

“

Ship your cargo domestically with us. Utilise our courier delivery, moving and removal services. Transco Cargo Handle inland freight transport by road, rail or air modes of your cargo moves within the whole of Australia.”

**Transco Cargo is a freight forwarding and Third-Party Logistics (3PL) provider and offers warehousing and storage for both commercial and personal effects cargo.**

## WAREHOUSING & STORAGE

Transco Cargo offers comprehensive warehousing facilities for personal effects and commercial cargo in its facilities in Melbourne, Australia. Its main warehouse locations are strategically selected based on proximity to logistics networks for quick access and transport. To ensure that all goods that are stored at the Transco Cargo warehousing & storage facilities are adequate with security management measures in place with 24-hour CCTV and back-to-base monitoring measures for necessary protection. All transport vehicles within the Transco Cargo fleet are GPS trackable too.

### **Commercial Cargo Warehousing & Storage**

As 3PL solutions providers and commercial cargo freight forwarders, Transco Cargo warehousing, and storage facilities are equipped with heavy-duty industrial grade racking and shelving solutions and professionally trained staff to receive, process, and stock the goods received and dispatched.

### **Personal Effects Warehousing & Storage**

As a freight forwarder for personal effects, including household goods and excess luggage and more, Transco Cargo can help you with your packing and shipping needs. With an array of shipping boxes, tea chests, and shipping crates to choose from. You can have us pick up your goods or have you drop them off for us to pack into the respective boxes professionally.

“

We make automobile logistics easy with our convenient RoRo and containerized shipping services. Let us help you ship your vehicle overseas with care.

”

## AUTOMOBILE LOGISTICS

Shipping your automobiles overseas is a breeze with Transco Cargo shipping. When shipping your automobiles, the Automobile Logistics arm of Transco Cargo relies on two shipment methods; Roll-on-Roll-off (RoRo) and the other option for Automobile Logistics would be via Containers, whereby the vehicle(s) are secure inside the likes of either a 20ft or 40ft shipping container.

We also own and operate Multi Car Racking Equipment for dealer /wholesale distribution, 3-4 vehicles are packed into a shipping container

If Personal International Relocation a vehicle with personal belongings can be coupled into a Shipping Container subject to destination regulations.

## PERSONAL EFFECTS

Transco Cargo can help you with shipping your personal effects to or from overseas. If you are looking to send household goods, white goods and appliances, clothing, books, household goods, baggage and more, you can have it all sent, on Less than Container Load (LCL) or Full Container Load (FCL), based on the quantity you are sending or your preference. If time is a concern Air freight is an option.

Our packaging specialist will handle the packaging, We have shipping boxes, tea chests, and shipping crates to pack your personal effects safely. You can have them picked up or delivered to your doorstep if you wish to have it packed. Ask us for the packaging materials so you can safely pack your own personal effects in the comfort of your home or office. Then opt to have us pick it up or dropped off at one of our nationwide drop-off locations.

“

Personal Effects Shipping with Transco Cargo is simple and easy. Get your household and personal goods shipped to & at your convenience!

”

# E-COMMERCE

“ Transco Cargo offers convenient E-Commerce and Amazon shipment handling be it on FBA or FBM basis and can help with the process along the way. ”

## AMAZON & OTHER E-COMMERCE SHIPMENT HANDLING

Transco Cargo specializes in handling with processing supply chain-related operations for e-commerce shipments coming into Australia.

Transco Cargo provides supply chain logistics to facilitate moving of goods from source to final delivery to proceed with your E-commerce needs. We will take control of the cargo from your overseas suppliers' loading port and import the goods into Australia.

As an E-commerce, retailer, or seller, you can choose between how you want to progress with the fulfilment of your orders, and how Transco Cargo can assist you from start to end.

## INTERNATIONAL COURIER

We offer international Worldwide Courier Door Delivery of urgent packages and documents to most parts of the Globe. Transco Cargo under the brand "Transco Couriers" in its commitment to be a total logistics service provider extends its services to outbound and inbound courier services.

"Transco Couriers" is the only Company to operate an own direct Line-haul from Melbourne to Colombo - Sri Lanka "

“ At Transco we take the total logistics burden off our customers. Whether it is Big or Small. ”

“From farm gate to overseas markets: we are committed to Agriculture as a core export sector of Australia, and its logistics needs.”

## AGRI LOGISTICS

Using in-house expertise, our overall commitment is to provide satisfaction, reliability and responsive service that is so highly demanded by the Australian agriculture industry and at a price that will make Agri-business happen. Our primary aim is to give our clients a hassle-free, seamless service to take the stress out of the logistical operations. In a smooth functioning supply-chain for Grains, Frozen Meats, Dairy, Fruits, Wines or Vegetables, you can be sure that Transco has created several strong links.

## TRANSCO SHOPPING

Transco e-marketing handling is an online shopping platform created to make shopping in Australia easy while living overseas. As a fully owned subsidiary of Transco International Australia, which has a footing in various industries with the key focus on the freight and logistics industry. Transco e-marketing handling is the brainchild of Transco Management, which was launched in order to make life easy for overseas residents who want to shop in Australia easily and securely. This service will allow you to do all your shopping in Australia while living overseas! The concept is “Shop in Australia whilst living overseas”.
